TREE OF LIFE – THE PERFECT GIFT

Our Shul has recently acquired a “Tree of Life”, which has been prominently affixed in our main lobby. The magnificent Tree of Life features a bronze sculptured base whose branches for the word “Eitz Chaim” (Tree of Life), combined with 310 leaves and several donor rocks to create a beautiful work of art. The tree can be expanded up to 500 leaves.

The Tree of Life offers many dedication opportunities. You may dedicate a leaf in honour of life’s important milestones e.g. birth, bris, Bar Mitzvah/Bat Mitzvah, birthday, anniversary, wedding. Etc. You may choose to dedicate a leaf in honour of a living or deceased friend or relative. The possibilities are endless.

The tree has been kindly donated by the Dennill families.
 We look forward to having you share your simchas with us by dedicating a leaf.
 Have it become part of our Shul for eternity.
